

# Lewtrenchard WI July Report

Seven members and one husband decided to ignore the dark clouds in Lewdown and headed for, hopefully, sunny Postbridge. We've been thinking about having a picnic meeting for some time now, why not make the most of summer.

We met at Ruth's at 10:30 despite the short rain shower just beforehand and decided to go ahead with the picnic.

We arrived at Postbridge where we found a nice picnic table in the sun, started our meeting when more rain set in, so we moved to a sheltered spot and continued with business. We had a good and productive meeting.

The sun came out and we headed for the nearest

picnic table where we enjoyed our picnic lunch and some delicious biscuits made by Susanne. Rain came down yet again, so we headed for the visitor centre and we had a good nose round. It was an interactive and interesting place. Some of us got a bit chilly and craved a cup of coffee so we all decamped to the Two Bridges Hotel where we enjoyed warm drinks and a chat. Everyone agreed that despite the rain it was a nice way to have a meeting.
