

Lewtrenchard WI May Report

Barbara welcomed everyone to this normal and annual meeting, it seems like yesterday that we held this. We sung Jerusalem.

May is always a busy month for birthdays and wedding anniversaries, we had 3 special wedding anniversaries, our birthday monitor Kym presented the 3 lucky ladies with special cards and plants.

We got on with normal business followed by our annual meeting business. One committee member stepped down after nine years and one member stepped up to be on the committee, there is room for more committee members 😊. Congratulations to Barbara who was re-elected as president.

Last year's program was very varied and interesting, much enjoyed by our members. A particular highlight in April was the Tamar Group Meeting hosted by Kelly WI: a very entertaining murder mystery evening, we had great fun. Committee is looking forward to unveiling the new program for 2026/27 in June. Our 'WOW Factory' WhatsApp group is a success, quick and easy to arrange cinema, theatre or a local show visit. We started to play skittles again, watch out Devon Federation Skittles Tournament 2027. We are busy making plans for our centenary celebrations next year.

What lovely colouring in

We finished with business pretty quickly, then settled down for refreshments and mindful colouring in, which was actually very relaxing and enjoyable.

Date & venue for next meeting: Monday June 8:
Day out to Bradstone Manor Farm (no meeting in the evening)

Dates for your diary:

13th June Skittles @ Treburley
18th June Coffee morning
22nd June Walk

No Food Craft & Skills during the summer months
